# FAIRS *of tastes*

## WHY SHOULD YOU EXHIBIT AT THE FAIRS?

The leading fairs in the region are visited by more than **15,000** visitors, mostly **businessmen** from Slovenia and **foreign countries** such as Croatia, Serbia, Italy, Austria and others. The fair offers exhibitors and business visitors an international business opportunity.

## WHY TO VISIT THE FAIRS?

Approximately **500** domestic and foreign **exhibitors** from more than 20 countries are expecting you with exhibition program from HoReCa field. They will present the **latest trends in gastronomy** and **technological innovations**.

A tourism fair Alpe Adria Natour takes place at the same time. By visiting the fair you have the opportunity of acquiring **new customers** and **markets** and to take advantage of other **opportunities** that only a fair that emphasis **personal contact** can offer!

## BENEFITS OF EXHIBITING AT THE FAIR

With exhibiting at the fair, you are guaranteed to **gain many competitive advantages**; obtain new customers and markets, broaden your business contact database, gain overview of the newest technological innovations and trends from a field of catering and hotel management, gather new knowledge from professional program, but most importantly, you will be able to intensively promote your brand.

## *Practical* WORKSHOPS AND COMPETITIONS

Particular emphasis is placed on accompanying events in the direction of **educational workshops**, where visitors receive **practical knowledge** and **advice**.

The program **holders are exhibitors** who, in addition to the workshops, present their many **technological innovations** as part of their exhibition programs!

# PROGRAM OF *workshops*

## LATTE ART GRADING SYSTEM Slovenia workshops - Topespresso & BARISTA

Through workshops you will have an opportunity of discovering secrets of Latte Art, where apart from Topespresso baristas the workshop will be carried out by the founder Mr Luigi Lupi and other world known and recognized masters from Italy.

## BEER - BEER BREWING workshops and GUIDED BEER TASTING

Workshops and seminars with advices and practical tips, secrets of the ingredients used in beer brewing, equipment, history of beer, novelties and numerous tricks. For all beer enthusiasts, we will also prepare guided beer tastings through a wide variety of flavors of this hop's drinks. You will also get to know proper technique for beer tasting, the appropriate dispensing and use of glasses.

## Preparation of ICE CREAM and CONFECTIONERY workshops with MAKABO

A program of confectionery and ice cream workshops with top masters is expecting you. You will be able to choose from a wide range of workshops that will be held under the guidance of the world renowned international Carpigiani Gelato University from Italy, a leader in the art of ice cream making.

## SCHOOL OF PIZZA

It will be held under the guidance of the best Italian masters and world champions in cooperation with the Section of Pizza Chefs of the Slovene Association of Chefs and Confectioners.

## BIO/VEGAN WORKSHOPS

The Slovenian Vegan Society will host workshops with emphasis on preparation of vegan dishes and present the newest trends.

## CONFECTIONERY and BAKERY workshops LA GANACHE

The master of French confectionery, with the diploma of the prestigious Paris Gregoire Ferrandi International School - Naser Gashi, will host free confectionery and bakery workshops for the preparation of Macarons, Fraiser Cake, Chocolate souffle, Buns for homemade hamburgers and Baguettes.

## COCKTAIL PREPARATION WORKSHOP

The workshop will be hosted by the Bartenders Association of Slovenia.

## PROGRAM ON THE EXHIBITION SPACES

An instructive and interesting program is also taking place at exhibition spaces of individual exhibitors.

# PROGRAM OF *championships*

## 1<sup>st</sup> National Championship GASTexpo TOPESPRESSO LATTE ART GRADING SYSTEM Slovenia

All qualified LATTE ART BARISTAS from Slovenia owning a green, red or black Latte Art Grading System Slovenia jug can apply. The winner will compete at the 2019 world competition in Milan.

## 2<sup>nd</sup> Championship GASTexpo BEER OF THE YEAR

On the basis of assessments of beer experts, a credible rating of Slovenian craft beers will be carried out, and thus the holder of the »GASTexpo BEER OF THE YEAR« title will be selected.

## 9<sup>th</sup> International Championship of GELATO

The championship is open to confectioners/ice cream makers that have their own production of ice cream in Slovenia or abroad. This year's selected taste is POTICA.

## 7<sup>th</sup> International Championship »BEST PIZZA CHEF OF SLOVENIA«

The championship is open to all pizza chefs and chefs. You can compete as individuals or as a representative of a pizzeria/restaurant from Slovenia or abroad.

## 3<sup>rd</sup> NATIONAL CHAMPIONSHIP IN COCKTAIL PREPARATION - Non-alcoholic cocktails

## 2<sup>nd</sup> NATIONAL CHAMPIONSHIP IN COCKTAIL PREPARATION - After dinner

Both contests are open to everyone who want to participate with their own authorial recipe and compete in the preparation of cocktails.
