

COFFEE at the GASTexpo Fairs of Tastes

The upcoming Fairs of Tastes will be the venue for a unique competition

The World of Coffee is one of the highlights of the GASTexpo Fairs of Tastes every year, bringing together Slovenian and international coffee enthusiasts. Barcaffè will offer coffee lovers unique flavours, creativity, and the discovery of new coffees at this year's fair. Visitors will be able to enjoy new flavours and take part in free Barcaffè masterclasses. There will also be a competition for amateur and professional baristas to showcase their skills in creating coffee foam designs.

At the upcoming GASTexpo Fairs of Tastes, Barcaffè will **wow** visitors with its **innovative range of coffee** and coffee drinks. They will present **new flavours** and **modern trends**, combining top quality with an authentic aroma and an unforgettable taste. Visitors will have the opportunity to **sample** freshly prepared specialties and **discover** new ways to enjoy coffee. Once again, **Barcaffè** will **prove** that it is **synonymous** with **innovation**, **passion**, and **unforgettable** coffee experiences.

Of all the **novelties** that Barcaffè is preparing for this year's Fairs of Tastes, the **LAGS Battle Slovenia 2026** is set to be the highlight. This unique competition gives baristas and coffee lovers the chance to try their hand at latte art. Competitors will demonstrate their **creativity**, **precision**, and **passion** for the **perfect cup of coffee**. Visitors will be **able to watch** as cups are turned into miniature works of art.

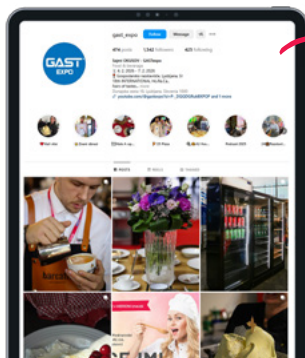

The LAGS Battle Slovenia 2026 is open to participants who have already achieved one of the four levels of milk foam drawing: green, red, black, or gold cup. They will demonstrate their skills to a three-person panel of experts. **The winners will receive cash prizes and an invitation to the World Championship.**

Visitors will also be drawn to the Barcaffè exhibition pavilion by **the free Barcaffè Masterclasses**, led by renowned latte art experts. Aleš Gorenc from Barcaffè will be among them. He is the only Slovenian to have **won the LAGS gold cup**, becoming the **13th person in the world to do so**.

They will reveal the secrets to achieving the **perfect foam texture** and demonstrate how to create coffee art that will enchant everyone. This will **elevate** participants' coffee experience to a whole new level, equipping them with the valuable knowledge to brew coffee at home that rivals the best cafés.

Do not miss this opportunity to become a true coffee expert

Spend a day with Barcaffè and learn about the latest trends, expand your knowledge, and experience all that this wonderful drink has to offer.
